

The Zephyrhills High School Band Program is defined as a co-curricular course. Which means students have events that will take place outside they typical school day, that do count towards their grade. We expect all of our students to attend each of these events. In the case that you do have to miss an event, please complete all of this form, in as much detail as possible.

Before completing your Excused Absence Form, be sure to refer to the Band and Chorus Handbook regarding Absences. Student's with an Excused Absence may be assigned an Alternative Assignment, if applicable. Students are expected to return this form within three (3) days of the absence. This form is only necessary for absences taking place at rehearsals or performances (not for our daily class).
