Athletic Participation Forms

ALL ATHLETIC FORMS ARE NOW COMPLETED ONLINE BY PARENTS/GUARDIANS- We will not accept participation packets anymore. Parents need follow instructions below to input everything and to download the completed physical and notary form all on athleticclearances.com. **Coaches will not collect paperwork**. This must be completed before attending tryouts or practice. If you are having problems filling out the athletic clearance direct questions to the help chat on the website – please do not call the Coach or Athletic Director as they cannot control the site. Once you have completed the signup it will say "pending" – the Athletic Director will be approving athletes twice a week. If your account says" in progress" you have not completed all the steps by parent and athlete. No athlete will be allowed to participate without an account and completed paperwork.

Before attending any conditioning or tryouts, you MUST create an account on https://athleticclearance.com – the following are the MUST HAVE forms…detailed instructions follow.

You will need to have completed by a doctor the FHSAA EL2 all three pages. This must have the athletes name. This must be signed and dated by the doctor. It must be checked where it says cleared without limitations. If any of this is not filled out the clearance will be denied and your athlete will not be able to participate until completed correctly.

You will also need to have filled out and notarized the Pasco County Participation Form.

All forms and further information can be found at:
https://www.pasco.k12.fl.us/athletics/page/forms/

THESE ARE THE ONLY TWO FORMS NEEDED TO COMPLETE THE ATHLETIC CLEARANCE.

Participation in high school sports is not without risk. The student-athlete and parent/guardian acknowledge truthful answers to the above questions allows for a trained clinician to assess the individual student-athlete against risk factors associated with sports-related injuries and death. Florida Statute 1006.20 requires a student candidate for an interscholastic athletic team to successfully complete a preparticipation physical evaluation as the first step of injury prevention. This preparticipation physical evaluation shall be completed each year before participating in interscholastic athletic competition or engaging in any practice, tryout, workout, conditioning, or other physical activity, including activities that occur outside of the school year.

We hereby state, to the best of our knowledge, that our answers to the above questions are complete and correct. In addition to the routine physical evaluation required by Florida Statute 1006.20, and FHSAA Bylaw 9.7, we understand and acknowledge that we are hereby advised that the student should undergo a cardiovascular assessment, which may include such diagnostic tests as electrocardiogram (ECG), echocardiogram (ECHO), and/or cardio stress test. The FHSAA Sports Medicine Advisory Committee strongly recommends a medical evaluation with your healthcare provider for risk factors of sudden cardiac arrest which may include the special tests listed above.
