

YOU CAN GUIDE, INSPIRE, & MENTOR.

You will change a life by volunteering to mentor a student (grades 9 - 12).

Take Stock is a school-based mentor program, with sessions taking place on the student's school campus or monitored virtual sessions. Sessions typically occur during the student's lunch or virtually after school bi-weekly.

INTERESTED IN MENTORING FOR PASCO COUNTY STUDENTS?

To become a Take Stock mentor in Pasco County, scan the QR code or visit pascoeducationfoundation.org
