

I am incredibly proud to serve as the principal of Zephyrhills High School!

My journey into education was an unexpected but rewarding one. After earning a Bachelor's degree in Business Administration, I initially planned to pursue a career in the corporate world. However, after accepting a position in a Pre-K classroom, I quickly discovered my passion for education. That experience inspired me to continue my professional growth, earning a Master's degree in Educational Leadership and an Education Specialist degree in Curriculum and Instruction.

Zephyrhills has been my home since 2000, and my connection to this community runs deep. Both of my sons are proud graduates of Zephyrhills High School, from the Classes of 2018 and 2022. Since beginning my career as a Pre-K Instructional Assistant, I have had the privilege of serving students and families in Pasco County since 2006. Throughout my career, I have worked as a Teacher, Instructional Coach, Assistant Principal, Principal Intern, and now Principal.

As both an educator and a community member, I am committed to creating and maintaining a school environment where every student feels safe, supported, and empowered to succeed. I believe in honoring the rich traditions of Zephyrhills High School while embracing opportunities for innovation and growth. Strong partnerships among our students, families, staff, and community are essential to achieving positive outcomes for every student.

Together, we can continue building a school culture that inspires excellence, fosters belonging, and prepares students for success in their future endeavors. It truly takes a village, and I am honored to be part of ours.

Amanda McCoy, Ed.S.

Principal

Zephyrhills High School

Office: (813) 794-6100
