

Hello! Mabuhay! I'm Leonard Corilla, a J-1 exchange teacher from the Philippines, and this is my third year at Zephyrhills High School. I teach AICE English General Paper and Dual Enrollment Journey to Success. I am passionate about helping students become confident thinkers, effective communicators, and lifelong learners. Outside the classroom, I enjoy reading novels, traveling, and watching movies and television series. I am grateful to be part of the ZHS community and look forward to helping my students learn, grow, and succeed.

Thank you,

Leonard Corilla
