

I am currently in my third year at ZHS, serving as the Academic Advisor and Class Sponsor for the Class of 2028. I am passionate about supporting students, helping them recognize their strengths, and encouraging them to see their full potential both inside and outside of the classroom. Outside of school, I am a proud mom of two—a 9-year-old son and a 5-year-old daughter—who inspire me every day. My goal is to make a positive impact on students by reminding them that their future is full of possibilities and that they are capable of achieving more than they may realize.
